The college strictly follows the curriculum prescribed by its parent University. Every year before starting of the academic session college authority entrust the responsibility of preparing academic calendar, prospectus and routine to the committees formed for this purpose. The Central routine is distributed to different departments for allotment of classes among teachers. Each department formulates its own action plan/course plan and also prepares lesson plan. Various methodologies are adopted for curriculum delivery -the traditional method of teaching using blackboard, Power Point presentations, experimental demonstrations, display of models, e-resources, displaying movies, holding student seminars, field visits, excursions, etc. All the departmental heads make periodic assessment and review of the progress of the syllabus with their departmental colleagues. Elaborate arrangements for skill enhancement are undertaken by all departments.

Information regarding curriculum implementation is disseminated through :

- .Uploading prospectus, routine and academic calendar in the college website
- Uploading Program outcome, program specific out come and course outcome
- Curriculum delivery mechanism is communicated to the students through central orientation and departmental orientation programs

For effective implementation of the curriculum the college has an Academic Council with the Principal as the President and Vice Principal, IQAC coordinator and heads of various departments being members. It meets periodically to discuss all issues related to academics.

The mode and procedure of IA is mentioned in the college prospectus and the college website. Moreover, at the beginning of each academic session, students are made aware of it in the Central orientation programme and in the departmental induction programmes. The college follows a transparent policy as every student appearing in the sessional exam (theory and practical) is required to sign an attendance sheet in person. Students are given chance to better their marks. The answer sheets are submitted to the University as and when demanded. Students are assessed continuously through regular class/unit tests, quizzes and presentations. Many departments conduct multiple examinations as part of IA which helps the students to face their end semester and other entrance examination in a confident manner.
