NOTICE

This is to inform all FYUGP 4th Semester students (All Streams) that the Computer Learning Centre is organizing an **Advanced Computer Education Programme** as part of the Internship Programme for the academic session 2026.

The programme aims to enhance students' technical proficiency and practical knowledge in computer applications, programming, web development, and digital skills.

Programme Details:

- **Programme Name:** Advanced Computer Education Programme
- **Organized by:** Computer Learning Centre, B.Borooah College (Autonomous)
- **Duration:** 120 Hours
- **Programme Period:** 01 July 2026 to 30 July 2026
- **Eligibility:** FYUGP 4th Semester Students (All Streams)
- **Course Fee:** ₹2000/-

Objectives of the Programme:

1. To enhance technical proficiency in computer applications.
2. To develop practical IT and digital skills among students.
3. To provide hands-on experience in programming and web development.

Work Assignments:

1. Programming Assignments
2. Web Development Tasks
3. Internet & Digital Skills Tasks

Interested students are requested to submit their applications on or before **30 May 2026** at the Computer Learning Centre.

For further details, students may contact the undersigned.

***The application form and details are attached with this notice.**
